# Stingray Two

i see helicopters in the twilight • stones cut into tiny little pieces • rodents now -direction modes • loosen your seat belt  
 whenever you go • we blast the airbag and wait you to know that you better slow down • otherwise it fucoun hurts •  
 crash kids always loose their friends • while YOU drop your pants • when you are at woodworth • digging for rainless  
 shirts • you piece of dirt • know what I HATE YOU • acid burns • stingray two.

SLEEP IS JUST A WORD

SLEEP IS JUST A WORD NEARLY PASSED OUT

WHEN I READ THIS LINE HELPED ME CARRY THE MESS  
 A HILL IN MY THOUGHT HELPED ME CARRY THE MESS  
 IN MY NOVEL-LANDSCAPE SILVER-SHADOW UNDERLAY

THESE WORDS HAVE YOU HEARD ABOUT

DON'T TANGLE WITH HIM HE'S GONNA BEAT

THE SHIT OUT OF YOU DON'T MESS WITH HIM JUST WANT TO  
 CARRY THE MESS IN YOUR LIFE

I KNOW THERE'S LOTS OF MESS  
 IN YOUR LIFE

DON'T MESS ABOUT HELPING HIM AND YOU HAVE TO

UNDERSTAND IT'S NOT SERIOUS IT'S

IT'S JUST A FILM AND IF YOU MESS ABOUT THE FILM  
 THE GUY'S FROM A LOT OF FUCKIN MESS

where the kids

his car smells like mcdonalds

the smack of floodlightsweat

butterkids and citrusfruits

can i still call you at night

and tell you lies

knock on your door

when i'm on my way to disco vile

where the kids

shoot their lives away to jupiter

where the dogs eat your guts

while you're asleep

and peace it feels like jumpin jacks

in your ass just like fucked up

butterkids guns and chocoilatreams

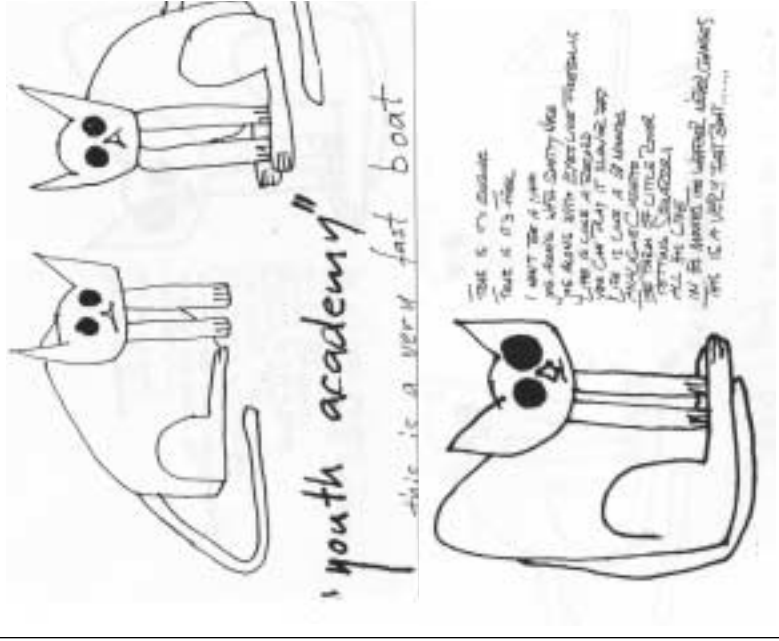

is it me - this guy you're talking about

when i hear you on the radio at night

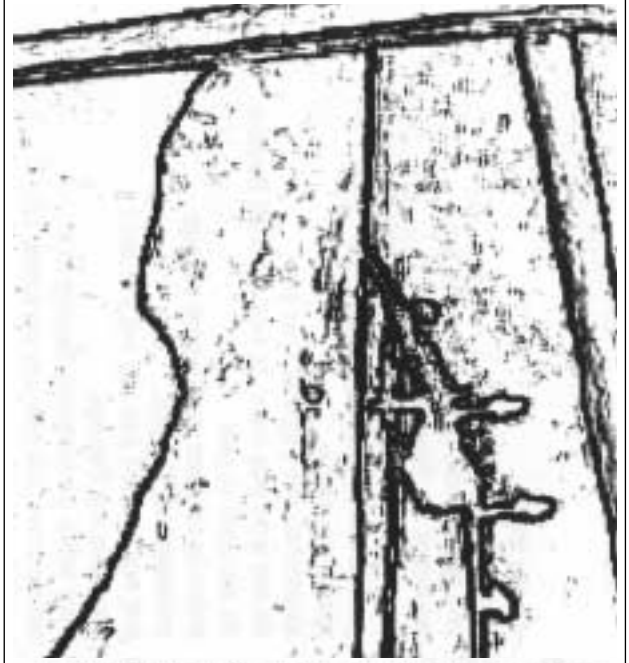

man, i'm on my way to disco vile

acabb... youth, can't get  
 Tid of you. You kick me in  
 the back. You're bigger than  
 me - bigger than I ever wanted  
 to be. Streets full of shit-man,  
 I'm sick of this. all I see is your  
 great future. but I can't see  
 your past - wide your past wide,  
 your wistaker. see 'em sleepin'  
 in your backyard, see 'em chawin'  
 through your wind - every night

This is a very fast boat  
 I want to be a  
 you know who sorry  
 he says with a  
 you can play it  
 like it's a  
 you can play it  
 all the time  
 in a very fast boat

Pic me up  
 sleepin' in a burnin' phonebox  
 my hands on fire and my voice on ice  
 i'm dialing numbers all night long  
 waiting for someone  
 your not the fist and you not the last  
 waiting for someone  
 always waiting for someone to come  
 and to pick me up  
 waiting here for you to come and pick me up  
 the only words i can remember  
 where the words  
 "i can't remember your name"  
 loneliness of a longdistance swimmer  
 he's waiting for someone  
 your not the fist and you not the last  
 waiting for someone  
 pick me up
